

HAIR CLOG REMOVER

POWERS THROUGH BLOCKAGES IN SHOWERS, SINKS & DRAINS

SCRUBB Hair Clog Remover is an industrial strength formulation that sinks through standing water to burn out blockages and get your drain flowing freely again. Safe for use with all types of pipework. Can also be used as a regular drain maintainer to maintain free-flowing drainage.

- Dissolves hair & grease
- Sinks through standing water
- Destroys blockages & odours

DIRECTIONS FOR USE:

FOR BLOCKED SINKS, SHOWERS ETC: Pour at least 500ml of Hair Clog Remover down the plughole or into drain opening. Clean up any spillages immediately. Allow to work for at least 10 minutes then thoroughly flush through with very hot water.

FOR REGULAR DRAIN MAINTENANCE IN SHOWERS, WASHROOMS ETC: Pour 100ml-250ml into plughole one or twice a week to prevent bad odours and blockages. Take care to clean up any spillages.

DANGER:

Contains: sodium hydroxide. Causes severe skin burns and eye damage. Keep out of reach of children. If medical advice is needed, have product container or label at hand. Do not breath vapour/mist. Wear eye protection/ protective gloves/ protective clothing. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get immediate medical advice/ attention. Store locked up. Dispose of contents/container in accordance with local regulation.
