

TYRE & TRIM CONDITIONER

RESTORES BLACK SHEEN TO TYRE
WALLS, BUMPERS, RUBBER
AND PLASTIC TRIM

Achieve that 'brand new' look on any vehicle with SCRUBB Tyre & Trim Conditioner. Advanced conditioning formula restores a superb black sheen to tyre walls, bumpers, rubber and plastic trim. Long lasting and weatherproof.

- Restores a factory finish to tyre walls, rubber & trims
- Conditions, rejuvenates and protects
- Weatherproof, long-lasting sheen

DIRECTIONS FOR USE:

FOR TYRE DRESSING: Thoroughly clean the wheels and tyres and allow to dry fully before applying. For best results use a clean brush or cloth to apply an even coat over the entire tyre wall. Wipe off excess from wheels and tyre treads. Allow to dry. If desired for a higher level of shine, one or more additional coats may be applied, allowing each coat to fully dry between applications. For best results and to avoid risk of sling, leave at least 1 hour before driving the vehicle.

FOR RUBBER TRIM E.G. WINDOW & DOOR SEALS: Ensure trims are thoroughly clean & dry. Apply an even coat with a cloth, wipe over to absorb excess. Remove any excess or runs from windows and paintwork with a clean dry cloth.

FOR PLASTIC TRIMS, BUMPERS AND INTERIOR PLASTIC SURFACES: Apply to clean, dry surfaces. Use a brush or cloth to apply an even layer, then buff to a shine with a clean dry cloth. May also be used in the same way to polish and rejuvenate chrome trims, grills and fittings.

WARNING:

Contains: Hydrocarbons, C11-14, n-alkanes, isoalkanes, cyclics, <2% aromatics. May be fatal if swallowed and enters airways. Keep out of reach of children. If medical advice is needed, have product container or label at hand. IF SWALLOWED: Immediately call a POISON CENTRE or doctor. Do NOT induce vomiting. Dispose of contents/container in accordance with local regulation.
