

GLASS CLEAR WINDOW CLEANING CONCENTRATE

**SPECIAL DETERGENT FOR
WINDOWS, CONSERVATORIES
& GLASS BALUSTRADES**

SCRUBB Glass Clear is a high-performance cleaning solution specially formulated for use on windows, conservatories, glass balustrades, and other exterior glass surfaces. This professional-grade concentrate cuts through dirt, grease, and grime, leaving a streak-free, crystal-clear finish every time. Ideal for regular maintenance or deep cleaning of large glass areas.

- Concentrated additive for window cleaning
- Streak free, sparkling results
- Dissolves salts & atmospheric grime

DIRECTIONS FOR USE:

Dilute 100ml of GLASS CLEAR per 1 litre of clean water. Apply with a cloth, sponge, or window cleaning applicator. Squeegee off or wipe dry with a clean, lint-free cloth.

Keep out of reach of children. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Contains: 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction. Safety data sheet available on request.
