

PORCELAIN PAVING CLEANER

SPECIALIST DETERGENT FOR MAINTAINING PORCELAIN PATIOS & TERRACES

SCRUBB Porcelain Paving Cleaner is a specialist formulation for cleaning and maintaining exterior porcelain tiles and slabs. Suitable for frequent use, it contains no bleach or acids which can damage paving surfaces over time. Easily shifts grime, ingrained soil, grease, bird droppings and leaf stains. Maintains porcelain in optimum condition and will not affect its slip-resistant properties. SCRUBB Porcelain Paving Cleaner will not remove staining caused by algae or mould.

- Suitable for regular use
- Concentrated formulation
- Lifts grime & dirt

DIRECTIONS FOR USE:

For general soiling, use 100ml of SCRUBB Porcelain Paving Cleaner per litre of water and use a hand-held or back-pack sprayer to apply an even coating over the surface. Allow up to 15 minutes contact time, then agitate with a stiff brush before rinsing off. May also be applied through a pressure-washer. For heavy duty cleaning or to shift stubborn stains, SCRUBB Porcelain Paving Cleaner can be used undiluted to spot treat stains before jet washing the area. Apply directly to the stain, work in with a stiff brush and allow up to 15 minutes contact time before thoroughly rinsing. Do not allow to dry on surfaces.

DANGER:

Contains: Alcohols, C9-11, ethoxylated. Causes skin irritation. Causes serious eye damage. Keep out of reach of children. If medical advice is needed, have product container or label at hand. Wash hands and exposed skin thoroughly after handling. Wear eye protection/protective gloves. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor.
