

BRUSH ON MOULD BLAST

POWERFUL MOULD REMOVER GEL

SCRUBB®
SO YOU DON'T HAVE TO.

SCRUBB Mould Blast is a powerful formulation that clings to vertical and horizontal surfaces, breaking down mould and mildew fast. The built-in brush applicator makes it easy to work into shower seals, grout lines, washing machine seals and more. Just apply, leave it to do the hard work, and wipe away.

- Powerful formulation
- Breaks down mould & mildew
- Thick gel clings to surfaces

DIRECTIONS FOR USE:

1. Remove any moisture present.
2. Apply directly to the surface, using the brush applicator to spread evenly and work into crevices and corners as required.
3. Leave to work for at least 2 hours or overnight before wiping off.

PRECAUTIONS:

Bleach based formulation - prevent contact with fabrics, clothing and bleach-sensitive surfaces. Do not mix with other chemicals. Surfaces and conditions vary, always test on an inconspicuous area first. It is the user's responsibility to determine suitability for use.
