

WALLPAPER STRIPPER CONCENTRATE

PENETRATES OLD WALLPAPER & DISSOLVES PASTE

SCRUBB Wallpaper Stripper Concentrate makes easy work of removing old wallpaper ready for redecorating.

- Makes wallpaper removal easy
- Concentrated formulation
- Apply with roller, brush or spray

DIRECTIONS FOR USE:

For best results score the paper first using a utility knife or wallpaper scorer. Dilute with warm water, using 100ml concentrate per litre. Apply to the wallpaper with a roller, brush or spray. Multiple light applications are more effective than a single heavy application. Leave to work for 15-30 minutes then remove the wallpaper, using a scraper if required. Note: this product may be less effective on painted and moisture-resistant wallpapers, but extra scoring both horizontally and vertically will help.

DANGER:

Contains: Alcohols, C9-11, ethoxylated. Causes serious eye damage. Keep out of reach of children. If medical advice is needed, have product container or label at hand. Wear eye protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor. Contains 1,2 benzisothiazol-3(2H)-one. May produce an allergic reaction.
